

THE ARTS SOCIETY CHILTERN HILLS AREA
SPECIAL INTEREST DAY FRIDAY 24TH FEBRUARY
2023

EXPLORING ART AND THE SENSES

WITH TASHA MARKS

Join award-winning artist and food historian Tasha Marks for an exploration of art and the senses. Expand your sensory appreciation of art, as we move away from being “viewers” and instead look with our noses and explore art through the history of food.

This special interest day is formed of two parts: the morning will be focused on edible art and food history, with a focus on sugar and spectacle; while the afternoon will be spent experiencing the storytelling powers of sound and smell. This unique, multi-sensory special interest day aims to change the way we think about art, by discovering it through the lens of food and fragrance.

Venue: Cedar Barn, Barn Lane, Hazlemere, High Wycombe HP15 7BQ
(10.30am- 3pm)

Price: £40 (includes coffee and sandwich lunch)

Booking form attached or contact: Heather Hesse on:
